## Driving Directions From San Diego

Both Interstate-5 and Interstate-805 take you to the international border. After crossing the border into Tijuana, get in the lane that says ENSENADA. Keep following the signs that direct you to Ensenada. This will put you on the Scenic Highway/Toll Road. There are 3 tollbooths along the way. The 3rd toll booth is at San Miguel. Two miles farther, the small town of El Sauzal begins as you pass under a footbridge, and another mile beyond that is a PEMEX gas station. Turn left at the gas station. Go 2 blocks, turn right. Go 1 block, turn left up a dirt road. We are the third house on the right, with the HOSTEL sign. If you get lost, call us at 174-63-81 from Ensenada, El Sauzal or San Miguel. To call from Tijuana: 646-17-46381.
